

Best Care for Calves

STANDARD CALF ZONE

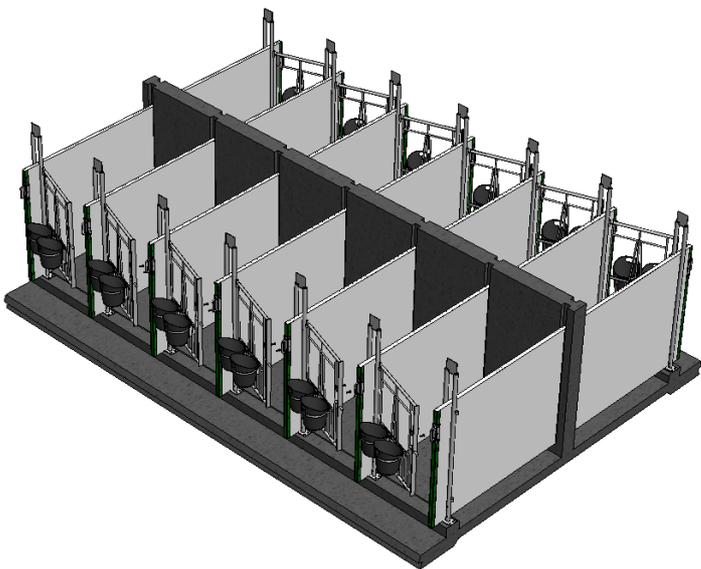

Our East Rock Standard Calf Zone Pens provide easy and effective isolation between pens, ensuring the safety of your calves. Ideal for temperate and colder climates, our pens protect your animals from drafts and potential contact with neighboring animals. You can customize your East Rock Calf Pens to fit your needs, whether you prefer to mount them on a structural wall or arrange them as stand-alone rows. We offer a variety of wall lengths, back wall options, and bucket and bottle choices, allowing you to create a pen that meets your specific requirements.

AVAILABLE WALL LENGTHS:

- 1.83M (6FT)
- 2.44M (8FT)
- 3.05M (10FT)
