

MOST COMFORTABLE FOR COWS

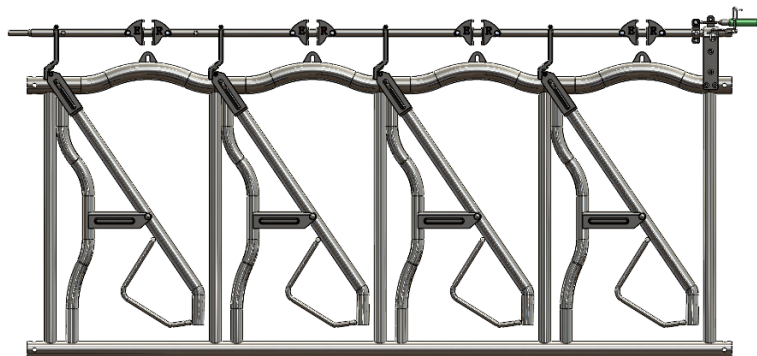

RAINBOW HEADLOCK

DURABLE AND WIDE TOP

We're excited to introduce our top-of-the-line **East Rock Rainbow Headlock**, designed with cow comfort as our absolute priority. Its unique design features a wide top opening and curved rail to reduce contact with the mature cow's head, ensuring maximum comfort. With an impressive 18.5"/470mm curved opening and standard self-lock capabilities, this headlock is the ideal solution for all your needs.

FEATURES AND BENEFITS

- 18.5"/470MM opening across the top
- Curved top rail make the largest opening
- Easy mount hardware ensure the fast installation
- Hot dip galvanized after welding for increased durability
- Noise reducing hardware for all the East Rock Headlocks
- Optional from one opening to nine openings
